Flex Technology Group

Oval Partners Makes Strategic Investment in Office Equipment of Texarkana & South Arkansas

Flex Technology Group expands presence in the great state of Texas and Southern Arkansas

PHOENIX, ARIZONA, April 1, 2019 (NewsWire.com) - Oval Partners, a San Francisco-based, multifamily office private equity firm, today announced a new partnership with Office Equipment of Texarkana and South Arkansas.

Office Equipment of Texarkana and South Arkansas provides office technology services and document management to businesses across East Texas and South Arkansas. The companies are headquartered in Texarkana, Texas and El Dorado, Arkansas. As customer-centric organizations, both emphasize their ability to provide the best solutions and equipment with full-service support.

“Office Equipment of Texarkana and South Arkansas have great market presence in East Texas and South Arkansas and have proven themselves over the past decade in a truly competitive market. They pride themselves on their dedicated employees who will bring outstanding value to Flex Technology Group,” said Frank Gaspari, CEO of Flex Technology Group.

“We’re thrilled to have Office Equipment of Texarkana and South Arkansas join Flex Technology Group and roll under Marimon Business Systems,” said George Nuckolls, President of Office Equipment of Texarkana and South Arkansas. “As a unified organization, we look forward to expediting our growth initiatives and increasing the value offered to our employees and customers.”

About Oval Partners

Oval Partners is a multifamily office investment firm designed to provide liquidity, growth, capital and acquisition funding to founders of growing businesses across North America. Oval’s capital base is permanent—it is committed, unencumbered and unconstrained in terms of holding period. Oval offers the capabilities and capital of a private equity fund, but the mentality, partner orientation and investment time frame of a private holding company. Oval’s principals have completed more than 75 transactions involving platform investments, acquisitions, exits and re-financings. Oval focuses on making investments in the tech-enabled services, information services, internet, software/SAAS and industrial technology markets. FlexPrint embodies the essence of Oval’s targeted “buy and build” strategy in attractive, service-oriented, niche end markets.
