# Oval Partners Makes Strategic Investment in Shamrock Office Solutions

Flex Technology Group increases Bay Area market share with the addition of Shamrock Office Solutions

PHOENIX, ARIZONA, January 9, 2019 (Newswire.com) - Oval Partners, a San Francisco-based, multifamily office private equity firm, today announced a new partnership with Shamrock Office Solutions, a premier Ricoh dealer that provides business technology solutions to thousands of businesses in northern California.

Shamrock has served the San Francisco Bay Area since 2000 with offices in Dublin, Monterey, and Silicon Valley helping businesses integrate office equipment with document management and information technology. Shamrock has a reputation for the highest quality service in the Bay Area while delivering a total business technology solution.

“Shamrock has established itself as a trusted and successful company in a very competitive marketplace. Brian and his entire team will add tremendous value to Flex Technology Group. We look forward to their continued growth and success as an important part of the Flex Technology Group,” states Frank Gaspari, CEO of Flex Technology Group.

“We’re extremely excited to partner with the Flex Technology Group.” said Brian Driscoll, Founder, President and CEO of Shamrock Office Solutions. “We recognize that combining our resources with the Flex Technology Group will offer unique advantages and have the potential to unlock enormous opportunities.”

Shamrock Office Solutions will join Flex Technology Group to leverage the combined resources of the companies while maintaining independence in day to day operations. Shamrock’s executive team will remain in their leadership roles to ensure the company’s continued success in serving its employees, customers and community. Mr. Driscoll will also be an equity holder in FlexPrint, LLC.

### About Oval Partners

Oval Partners is a multi-family office investment firm designed to provide liquidity, growth, capital, and acquisition funding to founders of growing businesses across North America. Oval’s capital base is permanent-it is committed, unencumbered, and unconstrained in terms of holding period. Oval offers the capabilities and capital of a private equity fund, but the mentality, partner orientation, and investment timeframe of a private holding company. Oval’s principals have completed more than 75 transactions involving platform investments, acquisitions, exits, and re-financings. Oval focuses on making investments in the Tech Enabled Services, Information Services, Internet, Software/SAAS and Industrial Technology markets. FlexPrint embodies the essence of Oval’s targeted “buy and build” strategy in attractive service-oriented niche end markets.
